New Works by

Duy Huynh

Art & Invention Gallery
February 11 through April 2, 2006

OPENING RECEPTION

Saturday, February 11, 2006
from 6:30 pm - 10:30pm.

Viewing a painting by Duy Huynh (pronounced YEE WUN) is like stepping into a dream.

His figures float, hover, and balance in a world that seems caught between the real and the magical, yet somehow it is a world you feel you have visited before.

Huynh's work creates a mood for the viewer to explore, and with each step of the journey a story is created, an emotion is revealed, and upon return from this journey, a sense of something gained is felt.

Using a rich, yet colorful palette, Duy Huynh builds layers of light and dark hues to create his soft, glowing images. He often uses tiles or wood as his canvas to create another subtle layer of texture to his work.

We invite you to come see, feel, and experience the art of Duy Huynh.

The gallery is open Fridays & Saturdays from 11am to 6pm, and Sundays from noon to 5pm. We are always available by appointment throughout the week.
